## ABOUT US

Ikonic Salon Furniture & Equipments, where design meets durability and functionality that shapes modern salon spaces. With years of industry expertise, Ikonic is committed to creating thoughtfully engineered salon furniture that enhances both stylist efficiency and client comfort.

Our collections are crafted to support the evolving needs of professional salons and barbershops. From ergonomically designed styling chairs to shampoo stations, every piece reflects premium quality, structural strength, and premium finish.

At Ikonic, our furniture combines aesthetic appeal with long-lasting performance, ensuring durability. Every product is built with careful attention to comfort, and practicality, enabling salon professionals to focus on their craft with confidence.

Driven by quality materials and contemporary design, Ikonic Salon Furniture & Equipments continues to shape inspiring salon environments across India. We don't just furnish spaces, we help create professional destinations where style, comfort, and performance come together.
